The Benefits

On top of peace of mind, each Ford Blue Advantage[®] used vehicle comes with these benefits:

Warranty

90-day/4,000-mile (whichever comes first)
Comprehensive Limited Warranty coverage.

Roadside Assistance

Roadside Assistance is offered 24 hours a day, seven days a week, in case of a breakdown, blowout, or bad weather.¹ Roadside Assistance includes:

139-Point Inspection

Before any vehicle can be called a Ford Blue Advantage Blue Certified used vehicle, it must pass a 139-point inspection. Ford factory-trained technicians recondition any component that does not meet program standards, or they replace it with only new Ford, Motorcraft[®]/Omnicaft[®], or Ford Authorized Remanufactured Parts, when available. Ask your dealer for a copy of the Vehicle Inspection Checklist.

Vehicle History Report

You'll definitely know your vehicle's history when you purchase a Ford Blue Advantage used vehicle. As part of the 139-point inspection process, a CARFAX[®] Vehicle History Report is run to identify any vehicle that does not meet Ford Blue Advantage standards. Ask your dealer for a copy of this report.

Recall Notice: Some vehicles offered for sale may be subject to open manufacturer safety recalls. Check recall status at www.safercar.gov.

Money Back Guarantee

As part of the Ford Blue Advantage certification program, your vehicle comes with a 14-day or 1,000-mile Money Back Guarantee — whichever comes first.

That means you can return the Blue Certified vehicle to the dealer that you purchased it from and work together to find another that better suits your needs. See your dealer for more details.²
